

2012 SUPPLIER DISCOUNT PROGRAM FOR ASSOCIATE RGVBA MEMBERS

The Rio Grande Valley Builders Association invites its Associate members to participate in the 2012 Parade of Homes Supplier Discount Program. This is an excellent opportunity to increase your business, meet builders, and support the RGVBA's annual Parade of Homes.

Here's how the **Supplier Discount Program** works:

As long as you are a member of the Rio Grande Valley Builders Association, in good standing, you can submit a proposal of one or more items or services that you would like to offer at a discount to builders with homes in the 2012 Parade of Homes. The RGVBA will encourage its Parade builders to do business with the Associations members and to take advantage of the **Supplier Discount Program**.

Please fill out the form below to be included in this program. There is no fee for participation.
